5.1	routine services performed before flight		
5.2	non-routine services requested by the airport user		
5.3	the provision and administration of spare parts and suitable equipment		
5.4	the request for or reservation of a suitable parking and/or hangar space		
6. FLIGHT OPERATIONS & CREW ADMINISTRATION			
6.1	preparation of the flight at the departure airport or at any other point		
6.2	in-flight assistance, including re-dispatching if needed		
6.3	post-flight activities		
6.4	crew administration		
7. SURFACE TRANSPORT			
7.1	the organisation and execution of crew, passenger, baggage, freight and mail transport between different terminals of the same airport, but excluding the same transport between the aircraft and any other point within the perimeter of the same airport		
7.2	any special transport requested by the airport user		
8. CATERING SERVICES			
8.1	liaison with suppliers and administrative management		
8.2	storage of food and beverages and of the equipment needed for their preparation		
8.3	cleaning of this equipment		
8.4	preparation and delivery of equipment as well as of bar and food supplies		

GROUND HANDLING REQUIREMENTS

SCHEDULE 2			
		SELF	THIRD PARTY
1. BAGGAGE HANDLING			
	handling baggage in the sorting area, sorting it, preparing it for departure, loading it onto and unloading it from the devices designed to move it from the aircraft to the sorting area and vice versa, as well as transporting baggage from the sorting area to the reclaim area		
2. FREIGHT AND MAIL HANDLING			
	the physical handling of freight and mail whether incoming, outgoing or being transferred, between the air terminal and the aircraft		
3. RAMP HANDLING			
3.1	marshalling the aircraft on the ground at arrival and departure		
3.2	assistance to aircraft parking and provision of suitable devices		
3.3	communication between the aircraft and the airside supplier of services		
3.4	the loading and unloading of the aircraft, including the provision and operation of suitable means, as well as the transport of crew and passengers between the aircraft and the terminal, and baggage transport between the aircraft and the terminal		
3.5	the provision and operation of appropriate units for engine starting		
3.6	the moving of the aircraft at arrival and departure, as well as the provision and operation of suitable devices		
3.7	the transport, loading onto and unloading from the aircraft of food and beverages		
4. FUEL AND OIL HANDLING			
4.1	the organisation and execution of fuelling and defuelling operations, including the storage of fuel and the control of the quality and quantity of fuel deliveries		
4.2	the replenishing of oil and other fluids		

GROUND HANDLING REQUIREMENTS

SECTION 3 – DOCUMENTATION AND INFORMATION REQUIRED – PLEASE NOTE THAT CERTAIN OF THIS INFORMATION IS SOUGHT IN ACCORDANCE WITH SECTION 3.A) OF THE GRANT OF APPROVAL FROM CAR

1. Grant of Approval from CAR

Please provide a copy of Grant of Approval issued by CAR for the ground handling services that you wish to engage in.

2. Ground Handling Requirements Form

Please complete the attached form in full.

3. Administration Charge

All ground handling companies are subject to an administration charge. New ground handling companies entering the market in 2010 will be charged an Initial Administration Charge. Existing ground handling companies will be liable to Renewal charge for 2010.

Initial Administration Charge	**€550.00**
Renewal Charge	**€275.00**
