# How to Use This Guide

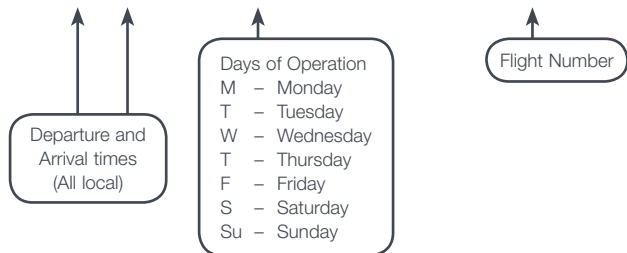

---

The Dublin Airport Guide & Timetable Summer 09 is produced by the DAA External Communications Department, Dublin Airport. The Summer Timetable operates from the 29 March to 24 October 2009.

All flights are listed under their points of departure at local time. The information in this booklet is issued as a guide and is based on the best information available at the time of publication. Flight times and other details should be confirmed with the airline concerned or with your local travel agent. Great care has been taken to ensure that all the information in this booklet is correct. However, as flight times, destinations and frequencies are subject to change, Dublin Airport cannot accept responsibility for any inaccuracies.
