How to Use this Guide

The Dublin Airport Timetable Winter 2019/20 is produced by Dublin Airport using the data provided by Cirium, a third-party global aviation data and analytics provider. The Winter Timetable operates from Sunday, 27 October 2019 to Sunday, 29 March 2020.

All flights are listed under their points of departure at local time. The information in this booklet is issued only as a guide and is based on the best information available at the time of publication. Flight times and other details should be confirmed with the airline concerned or with your local travel agent. Great care has been taken to ensure that all the information in this booklet is correct. However, as flight times, destinations and frequencies are subject to change, Dublin Airport cannot accept responsibility for any inaccuracies.

Example of how to use this guide:

Please note: In certain instances some flights are duplicated due to a different aircraft being used for those flights.
