Introduction	Action
<p>Chair, Prof. Brian MacCraith welcomed all members and led introductions across the group. Chair welcomed Angela Flynn as the daa representative and Roisin Burke as the new representative for FCC and read out extracts of the CLG Terms of Reference to all members.</p> <p>Members discussed the purpose of the meetings and queried whether the membership could be broadened to include a representative from the Aircraft Noise Competent Authority (ANCA). This might entail revisiting the Terms of Reference for the Group. After some discussion and clarifications, Chair indicated that it would be preferable, in the first instance, to issue an invite to ANCA to meet both with both the CLG and the Dublin Airport Environmental Working Group (DAEWG).</p>	Chair
