daa Actions from Previous Meeting and Dublin Airport Update

Michelle Molloy
Community Engagement Manager

No	Issue	daa response
1.	GOR requested further information regarding coach parking on daa lands at the rear of Portmellick House. MM to revert.	This field was used for coach layover between 25 August and 19 September (four weeks) while works associated with the EV bus project were being carried out.
2.	JS emailed JD on 12 November seeking an update on Kilreesk Lane properties bought by daa, and information regarding water quality and apron run-off storage.	<p>Discussions are ongoing with a third party regarding the long-term residential lease of Kilreesk Lane properties bought by daa. We expect these talks to conclude in the coming weeks, and CLG members will be provided with an update as soon as contracts are signed.</p> <p>Details of the publicly-available information regarding water quality, de-icing, spillage and storage were emailed to JS and CLG members on 18 November.</p>

- daa welcomed 3.2m passengers through Dublin Airport in October, an 8% increase year-on-year.
- Dublin Airport received approval from An Coimisiún Pleanála for its new observation facility at the site of “The Mound” on the Old Airport Road.
- daa welcomes the approval of planning permission for the MetroLink project which will provide an efficient transport link between Swords, Dublin Airport and Dublin city centre.
- daa announced the award of the contract to construct the new West Apron Vehicle Underpass at Dublin Airport to the Sacyr and Wills joint venture.
- From 18 September last, the old 100ml liquids rule is being relaxed with departing passengers permitted to carry up to 2 litres in their hand luggage, while liquids and gels no longer need to be packed into clear plastic bags.
- Several local schools will receive funding under Elevate '25, Dublin Airport's €2 million school support programme, and a celebration event with successful applicants is taking place on 21 November.

New Cargo Facility

- daa is proposing a new Cargo Facility adjacent Dardistown Cross which will include a bridge over the R132 from the south apron.
- daa will submit its planning application to Fingal County Council for the proposed facility in the coming weeks.

Temporary Noise Monitors

- The current rotation runs to end-January/start-February 2026 and nominations for new locations are required by mid-January 2026.
- The waiting list for the monitors allocated to daa and DAEWG is full for the next rotation, and daa has received a request from a resident in Laurestown, St. Margaret’s which falls within SMATW’s area for CLG consideration.

CLG	Location	Duration
